TESTIMONIAL

Don't just take our word. See why our customers love us.

Customer service speaks louder than words. Check out our reviews to see why our customers love the experience with us.

F&F Electrical Solutions rewired my entire house including a new breaker box. He also installed some hanging pendant lights over my new kitchen island. Juan was very knowledgeable, courteous and professional. I was highly satisfied with the entire process and end result. I would 100% recommend them.

Maria

F & F did an amazing job on my house. They did everything from putting in the electrical to telling me about placement options and they went ABOVE AND BEYOND. It looks good! The owner Juan is super friendly, Nice guy and very approachable. I love working with small and upcoming businesses and this is one of them! Do yourself a favor and check it out for all your electrical needs! Thanks Juan and his team! Definitely going to recommend them in the Sedona area of League City
